2025-26 Testing and Certification Manpower Development Award Scheme 檢測認證人力發展嘉許計劃

With a view to encouraging the testing and certification (T&C) bodies to invest in talent training and development, while also commending those T&C practitioners who has striven for continuous learning and professional development, and/or contributed to service quality improvement, the Hong Kong Council for Testing and Certification (HKCTC) successfully launched the first "Testing and Certification Manpower Development Award Scheme" in 2021. Having regard to the favourable feedback from the local T&C industry, HKCTC has decided to organise the Award Scheme biennially and hence again in 2023 with a successful close. HKCTC will organise the Award Scheme again in 2025 (the 2025-26 Award Scheme).
